

FUNDS AVAILABILITY POLICY DISCLOSURE

This disclosure describes when Camden National Bank will make funds available to you for withdrawal. It applies to the availability of funds in all of your deposit accounts including any checking account or any other transactional account, savings account, or certificate of deposit (CD) account; see account specific disclosures and agreements for additional withdrawal conditions that may apply. In some cases, we may delay your ability to withdraw funds. Our complete policy is summarized below.

For purposes of this disclosure, the terms “you” or “your” mean customer and the terms “our,” “we,” or “us” mean Camden National Bank.

YOUR ABILITY TO WITHDRAW FUNDS. Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day that we receive the deposit. Once they are available, you can withdraw the funds in cash, and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and holidays as defined by state law. In accordance with and New Hampshire law, every day is a business day, except Saturdays, Sundays, and federal holidays. In order to establish that a deposit is made on a particular business day, we establish a cut-off time. You must make your deposit before the cut-off time in order for it to be considered to have been made on that business day.

LOCATION	CUT-OFF TIME
Deposit through a teller	Close of business
Deposit through an envelope-free Smart ATM	7:00 p.m.
Deposit through an envelope-deposit ATM	2:00 p.m.
Mobile deposit	7:00 p.m.
Payment collected with your Camden National Bank Debit Card	3:00 p.m.

However, if you make a deposit after the cut-off time shown above or on a day that we are not open, we will consider the deposit made on the next business day we are open.

DEPOSITS AT OTHER LOCATIONS. This availability policy only applies to funds deposited at Camden National Bank. Please inquire for information about the availability of funds deposited at other locations.

DETERMINING THE AVAILABILITY OF YOUR DEPOSIT. The length of the delay is counted in business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and holidays as defined by state law.

The length of the delay varies depending on the type of deposit and is explained below.

LONGER DELAYS MAY APPLY. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after we receive your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225.00 of your deposits, however, may be available on the day of deposit. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will send you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- (a) if we believe a check you deposit will not be paid;
- (b) if you deposit checks totaling more than \$5,525 on any one day;
- (c) if you redeposit a check that has been returned unpaid;
- (d) if you have overdrawn your account repeatedly in the last six months; or
- (e) if an emergency condition arises that would not enable us to make the funds available to you, such as the failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

HOLDS ON OTHER FUNDS FOR CHECK CASHING. If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

SPECIAL RULES FOR NEW ACCOUNTS. If you are a new customer, the following special rules may apply during the first 30 days your account is open.

Same-Day Availability. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from the following deposits will also be available on the same business day that we receive the deposit if the deposit meets certain conditions:

- Cash
- Wire transfers

Next-Day Availability. Funds from the following deposits are available on the first business day after the day of your deposit if the deposit meets certain conditions:

- U.S. Treasury checks
- U.S. Postal Service money orders
- Federal Reserve Bank or Federal Home Loan Bank checks
- State or Local Government checks
- Cashier's, Certified, or Teller's checks
- Traveler's checks

For example, the checks must be payable to you. The excess over \$5,525.00 of a day's total check deposits will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of deposit. Funds from all other check deposits will be available on the first business day after the day of deposit.

ADDITIONAL DEPOSIT INFORMATION.

CHECKS DRAWN ON CANADIAN BANKS. All of the policies outlined in this Disclosure apply to checks drawn on Canadian banks. If a deposited check is in Canadian dollars, the check will initially be processed as if it was in U.S. dollars. On the first Business Day after the day of deposit, a credit or debit transaction will be processed as needed to account for the exchange rate.

CHECKS DRAWN ON FOREIGN (NON-CANADIAN) BANKS. Checks drawn on foreign (non-Canadian) banks require a different process, and are exempt from the policies outlined in this Disclosure. Foreign (non-Canadian) checks are sent out for collection upon receipt. No funds from the deposit of foreign (non-Canadian) checks will be available in your account until the funds are collected from the financial institution upon which they were drawn.
