

Guide to going *paperless*

Digital Banking

 **Step 1:** Log into online banking or the Camden National Bank mobile app.

 **Step 2:** Click on “Services” in the menu on the left, then select “Statements & Notices”.

Note: the first time you update your preferences, you'll be prompted to review and accept the disclosure.

 **Step 3:** Under the “Preferences” tab, you will have the option to pick “Electronic” from the Statements and Notices drop-down for each of your accounts. Save your changes by selecting “Update Preferences”.

Preferences

Please review the information below and make any necessary updates. Select *Update Preferences* when you are done to save changes.

Registered Account Number:
Your Account Name:
Your Email Address:

Listed below are all of the accounts currently associated with this electronic statements and notices login. Use the drop-down box next to each account to choose whether to receive your statements and notices in electronic or paper format (remember, some accounts have a fee for paper statements).

If your preference is electronic, we'll send you an email when you have a document ready for viewing. To change the email address associated with your account, please go to "Settings" > "Profile" in online banking.

Change your delivery preferences in the drop-down box for each account and then select the *Update Preferences* button.

Account Description	Account Number	Additional Accounts	Statements and Notices
Checking			Electronic
Checking			Electronic

Update Preferences

If you wish to give others, such as an accountant, access to view/print your electronic statements please select the **Interested Parties** link below. Please note that the bank is not responsible for statement access by non-account holders or any errors made while adding new users.
